RESOLUTION NO. 17-14

CAMDEN COUNTY MUNICIPAL JOINT INSURANCE FUND

RESOLUTION TO URGE REPRESENTATIVES FROM THE STATE OF NEW JERSEY TO SUPPORT THE LEGISLATIVE ACTION TO RE-AUTHORIZE AND EXTEND THE NATIONAL FLOOD INSURANCE PROGRAM ("NFIP")

WHEREAS, floods are the most common and most destructive natural disasters in the United States; and

WHEREAS, the National Flood Insurance Act authorizes a National Flood Insurance Program ("NFIP"); and

WHEREAS, the NFIP is a Federal program created by Congress to mitigate future flood losses nationwide and to provide access to affordable, federally backed flood insurance protection for property owners; and

WHEREAS, the NFIP is designed to provide an insurance alternative to disaster assistance to meet the escalating costs of repairing damage to buildings and their contents caused by floods; and

WHEREAS, New Jersey is fourth in the nation in the number of NFIP policies enforced and third in total value of claims paid; and

WHEREAS, five hundred and fifty-two communities in New Jersey participate as members of the NFIP which amounts to over 230,000 policies throughout the State of New Jersey; and

WHEREAS, the NFIP maintains a significant role in providing financial protection against flood events to New Jersey residents; and

WHEREAS, the NFIP is set to expire on September 30, 2017; and

WHEREAS, the expiration of this program could cause catastrophic loss of insurance coverage against flooding which is the number one cause of loss of property throughout the United States; and

WHEREAS, in the event the program were to expire, the consequences in the form of disruption of coverage and the potential financial burdens to residents throughout the State of New Jersey will be of great economic significance; and

WHEREAS, the purpose of this Resolution is to urge the area Federal Representatives to support the extension of the NFIP which promotes the public health, safety and general welfare and minimizes public and private losses due to flooding events in the State of New Jersey

NOW, THEREFORE, BE IT RESOLVED, that the Central Jersey Joint Insurance Fund (hereinafter the "FUND") hereby urges its area Federal Legislators and Representatives to take any and all necessary action to insure that the National Flood Insurance Program is extended beyond the September 30, 2017 expiration date.

BE IT FURTHER RESOLVED, that a copy of this Resolution shall be forwarded to area Federal Legislators and Representatives.

BE IT FURTHER RESOLVED, that a copy of this resolution shall be forwarded to members of the FUND urging them to adopt it as well.

2017 MEL Risk Management Consultant Accreditation Program

The MEL is instituting a Risk Management Consultant (RMC) accreditation program to recognize the MEL's numerous experienced RMCs and train new staff. Producers who complete this program may use the designation "MEL Accredited Risk Management Consultant". To achieve accreditation, a RMC must complete the four all day sessions that will be conducted over a six month period. (See attached agenda). Each session will be held twice — once in Jamesburg at the Forsgate County Club (Exit 8A) and once at the Conner Strong and Buckelew Headquarters facility in Marlton (Exit 4). The program is also eligible for producer continuing education credits. The fee is a nominal \$500 payable to the Municipal Excess Liability Joint Insurance Fund. You will be billed after you register.

a@permainc.com

Session One: (May 19 in Jamesburg) or (June 2 in Marlton)
 Session Two: (June 16 in Jamesburg) or (June 23 in Marlton)

• Session Three: (September 7 in Jamesburg) or (September 19 in Marlton) *Revised

• Session Four: (October 20 in Jamesburg) or (October 27 in Marlton)

E-mail registrations to jciannella@permainc.com

MEL Producer Accreditation Program

Agenda

- Responsibilities and challenges of a risk management consultant (2:15 4:00): Mike Avalone Ezio Altamura, Frank Covelli, Chuck Casagrande

For a Two-Part Cyber Insurance Webinar Series

Understanding Your Cyber Liability Policy

Thursday, April 20, 2017

10 AM - 11 AM

Scott Schleicher from XL Catlin, the MEL's primary cyber insurance carrier, will discuss the coverage available under your cyber policy and pre-breach risk management tools, such as XL's cyber portal. He will also walk attendees through XL's Claims Road Map to provide a better understanding of reporting a breach or suspected breach.

Click here to register or contact Sandra Cantwell at 201-518-7038 or scantwell@permainc.com.

What to Do in the Event of a Breach

Tuesday, May 23, 2017 2 PM – 3PM

John Mullen from Mullen Coughlin, one of XL's pre-approved breach response counsels will walk members through what to do in the event of a breach, discuss the role of breach response counsel including what services they provide and will conclude by discussing incident response plans.

<u>Click here</u> to register or contact Sandra Cantwell at 201-518-7038 or scantwell@permainc.com.

Both webinars will be recorded for members to share or view at a later time.

	Treasurer

To the Members of the Executive Board of the Camden County Municipal Joint Insurance Fund

I have enclosed for your review documents which reflect the financial condition of the fund. The attached documents include details of transactions relating to deposits, claims, transfers, expenditures and Investment Income.

The statements included in this report are prepared on a "cash basis" and relate to financial activity through the period ending April 30, 2017 for Fund Years 2013, 2014, 2015, 2016 and 2017. The reports, where required, are presented in a manner prescribed or permitted by the Department of Insurance and the Division of Local Government Services of the Department of Community Affairs.

All statements contained in this report are subject to adjustment by annual audit.

A summary of the contents of these statements is presented below.

• BILL LIST FOR THE MONTH OF MAY:

Payment vouchers submitted for your consideration at this meeting show on the accompanying bill list.

INVESTMENT INCOME:

Net Investment Income received or accrued for April totaled \$36,370.67.

• RECEIPT ACTIVITY FOR APRIL:

Cherry Hill Deductible 24,110.09 Restitution 1,433.00 **Total Receipts**

\$25,543.09

• CLAIM ACTIVITY FOR APRIL:

The enclosed report shows claim activity during the month for claims paid by the fund.

Property Liability Claims \$ 80,284.56 Workers Compensation Claims 189,165.69 Administration Expense 1,331,651.60

Total Claims/Expenses \$1,601,101.85

• CASH ACTIVITY FOR APRIL:

The enclosed report shows that during the reporting month the Fund's "Cash Position" changed from an opening balance of \$19,879,123.44 to a closing balance of \$18,330,782.46 showing a decrease of \$1,548,340.98.

The information contained in this report is a summary of the attached detailed schedules.

Sincerely,

Elizabeth Pigliacelli, Treasurer

Before they climb, swing, slide, dig or bounce, make sure it's safe!

National Playground Safety Week is the last week in April

For employees who work in or around playgrounds, the MEL Safety Institute offers

Playground Safety for DPW / Recreation Maintenance Staff

If you have playgrounds, you know injuries happen.
In fact, each year over 200,000 injuries occur.
Let's do all we can to prevent injuries and promote safety.
This course teaches how most playground injuries occur
and covers the strategies to prevent them.

Visit The MEL Safety Institute.

Questions? Contact the MSI Help Line (866) 661-5120.
The MSI Safety Institute can be accessed anytime by going to www.njmel.org. Look for our logo.

How to Access Training Courses:

- 1. Go to NJMEL.org and click on the MSI logo at the top of the page
- 2. Click on "MSI Login"
- 3. If you have taken MSI classes in the past, enter your username and password. If you do not know your username/password, check with your Training Administrator or call the MSI Helpline listed below. If you are new, click "I am a new user." Complete the fields and you'll receive a confirmation email with your username and password.
- 4. Once logged in, click on "MSI On-Line Training Courses."

- 5. Choose the "Playground Safety for DPW/Rec Maintenance Staff" course.
- 6. Click enro
- 7. Choose "Click Here" to go to your authorized course list.
- 8. Click the program name to launch the course.
- 9. Click Start to begin.
- 10.Upon completion of the course and questions you will navigate to the "Student Center" tab to print your Certificate of Completion. Learning Transcripts are automatically updated in the MSI Learning Management System.

Safety Director Bulletin

One in a series of safety bulletins from your Joint Insurance Fund

April 2017

Comprehensive Playground Inspection Programs

As spring approaches, it is a great time inspect playgrounds and to review your Playground Maintenance Program. A complete Program consists of visual inspections at three basic frequencies.

Annual Andit

A comprehensive playground risk management program starts with an annual audit. An audit consists of inventorying and examining each piece of playground and ancillary equipment, the park grounds and structures, and perimeter streets. We recommend pictures be taken to document the number and condition of each piece of playground equipment and surrounding areas.

Periodic (weekly to monthly) Inspections

Spring is the time to ramp-up the inspection program's frequency rate. The frequency of a playground's inspection is determined by several factors; season, how many children use it, harsh environments, neighborhood demographics, age of equipment, history of damage, and more. Owners of playground equipment should have a written policy that defines inspection frequency.

Use a checklist. A sample checklist is on the MEL website (www.njmel.org). A checklist offers the advantage of documenting what was inspected and found to be in satisfactory condition. Only reporting deficiencies leaves the worker who completed the report open to questions of what things were or were not inspected (months or years later). Remember the rule of documentation, "If it is not written down, it did not happen".

Daily Inspections

Workers are in the parks almost every day; cutting grass, picking up trash, or even just driving by on way to other assignments. Workers must be trained to visually check the playground equipment and grounds for obvious problems such as broken equipment, graffiti, etc. This quick check does not require paperwork, unless a deficiency is found. Workers should also be instructed to immediately correct conditions that can be fixed, or report conditions as soon as possible. Playground owners should also have a written policy on how workers are to document their corrective actions or reports.

Playgrounds will of course require maintenance and repairs from time to time. Even routine maintenance activities such as replenishing mulch or closing the gaps on S-hooks should be documented. Playground owners should have a 'paper trail' of work performed by employees. Repairs to playground equipment will also need to be documented. Repairs should be with manufacturer's parts. Hardware should be tamper-resistant.

Spring is also a good time to review your policies with employees who will be in and around playgrounds. Hold a Toolbox Talk to remind them how to record actions they took to immediately correct a deficient condition and how to report conditions that will need to be repaired by others. A Toolbox Talk is included to assist with educating employees.

We also want to remind our members of three other resources;

- 1. The MSI has a Playground Safety Inspector class. Check the website for a class near you.
- The MSI has a new online Playground Inspection class. We have included a Discussion Guide so that it can be presented to a group of Recreation or Public Works employees.
- 3. Your Safety Consultant is ready to assist with any aspect of your program.

This bulletin is intended for general information purposes only. It should not be construed as legal advice or legal opinion regarding any specific or factual situation. Always follow your organization's policies and procedures as presented by your manager or supervisor. For further information regarding this bulletin, contact your Safety Director at 877.398.3046.

Recording / Reporting Playground Deficiencies

Toolbox Talk Lesson Plan

The conditions of our playgrounds and parks are important to the residents of our community. Let's take a moment to discuss the policies and procedures we have in place.

Our playgrounds are inspected [INSERT FREQUENCY] by [INSERT DEPARTMENT OR NAME OF INDIVIDUAL]. But we are in or driving past playgrounds and parks almost every day. We can have a bigger impact on the appearance of our parks and playgrounds than any one else. I want to review this department's policies if you see problems in our parks. This includes:

- Damaged playground equipment
- Broken glass
- Graffiti
- [ADD ADDITIONAL OR LOCAL CONCERNS]

If you are in a park, cutting grass or collecting trash, etc., and see a condition that you can correct such as:

- Mulch around playground equipment that has been significantly kicked out such as under swings
- Objects, such as tables or toys, that have been moved into the fall zones of playground equipment
- Swings over the top of the swing set
- · A loose or broken component that can be quickly fixed, tightened, etc.

Our policy is to take care of it right then and record it [HOW-write it down where, call it in to who, etc.]. If you take 5 minutes to rake mulch back under the swings or sweep up broken glass, which is better than leaving it and having a child injured. The department wants you to take that 5 minutes, but we need to document it.

If you see a condition that will require lengthy repairs, or will need to order parts, such as:

- Broken railings
- Damaged tables

A condition that can be expected to cause injury to a child should be called in immediately to [WHO]. If the condition is severe enough stay there until we can make it safe. If it is not an imminent hazard, and you have a cone or CAUTION tape, we would expect you to secure the scene as best you can.

If you see conditions such as:

- Arson
- Intentional damage
- Significant graffiti
- Any other criminal activity

Call [WHO - department and / or the police on their non-emergency number].

Do you have any questions?

This lesson plan is intended for general information purposes. It should not be construed as legal advice or legal opinion regarding any specific or factual situation. Always follow your organization's policies and procedures as presented by your manager or supervisor. For further information regarding this bulletin, contact your Safety Director at 877.398.3046.

CERTIFIED PLAYGROUND SAFETY INSPECTORS COURSE AND EXAM

April 26-28, 2017 Mercer County Park Boathouse 334 South Post Road West Windsor, NJ 08550

Why This Course Is Important To YOU:

According to the Consumer Products Safety Commission, each year more than 200,000 children go to hospital emergency rooms with playground-related injuries. Of these, 70% of the injuries occur at public parks and schoolyards when the child falls from the equipment onto the ground.

New Jersey State Law adopted the playground safety guidelines of the United States Consumer Product Safety Commission as detailed in the "Handbook for Public Playground Safety" (Pub. No. 325). These guidelines were adopted by reference as the Playground Safety Subcode for New Jersey and govern design, installation, inspection and maintenance of playgrounds and playground equipment. These guidelines apply to all public playgrounds in the state of New Jersey and are mandatory.

How does your playground measure up?

How many preventable injuries occur in your parks, school yards, or facilities?

What This Course Will Provide YOU:

The Certified Playground Safety Inspectors (CPSI) Course and Exam, hosted by the New Jersey Recreation and Park Association and sponsored by the National Recreation and Park Association, is the most comprehensive and up-to-date training program on playground safety issues including hazard identification, equipment specifications, surfacing requirements and risk management methods.

The course provides advanced reading and twelve (15) hours of training that will prepare you to take the Certified Playground Safety Inspector Exam at the culmination of the certification course. Certification, with passage of the exam, is good for three years.

Who Should Attend?

- Park & Recreation Supervisors & Administrators
- Safety Engineers
- School/Park Maintenance Staff
- Board & Commission Members
- School Officials
- Health inspectors
- Insurance Agents
- Public Works Personnel
- Playground Manufacturers
- Engineers & Architectural Firms
- Playground Equipment Representatives
- Risk Managers

Photo Courtesy of Liberty Parks and Playgrounds

Playground Operators In:

- Parks
- Schools
- Summer Camps
- Day Care Centers
- Hotels/Resorts
- Homeowners Associations
- Apartment Communities
- YMCA/YWCA
- Boys & Girls Clubs
- Police Athletic Leagues
- · Park & Playground Designers
- Community Volunteers

Class size is limited to 80

Participants will receive resource materials with:

- ASTM F1487 Standard Consumer Safety Performance Specifications of Playgrounds for Public Use
- U.S. Consumer Product Safety Commission Handbook for Public Playground Safety
- 1.5 Continuing Education Units through NRPA

National Playground Safety Institute

Playground Safety Inspectors Certification Course & Exam Sponsored by the New Jersey Recreation and Park Association

Safety Director Bulletin

One in a series of safety bulletins from your Joint Insurance Fund

April 2017

The Benefits of Closed-Circuit Videoing Lateral Sewer Lines

Many times when a resident reports a sewer back-up they assume it is from the main connection. Utility Authorities and municipal sewer departments may respond to the sewer back-up by replacing the house connection from the main line to a little behind the curb.

While this action will most likely resolve the current sewer back-up, the question is, will this prevent it from happening again and address the real cause?

Closed-Circuit Video (CCV) of lateral sewer lines can identify the cause of the back-up and responsibility by determining if the back-up was from the main or lateral lines. Throughout the years if there have been multiple sewer back-up claims at the same residence and the lateral lines were videoed after the first back-up, the cause and responsibility could have been properly determined, thus possibly eliminating additional claims in the future.

An additional benefit of using the CCV during the preliminary investigation of a back-up is that the utility authority or municipal sewer departments can identify the most affordable repair solution possible.

The photo shown above was obtained from a municipality that responded to a sewer back-up at a residential home for the second time in two years. It was the contention of the resident that grease accumulation was the result of the main back-up. After the second repair, the municipal sewer department videoed the lateral line and proved that the grease accumulation was the result of the actions of the resident. The six inch house lateral sewer line was over 90% blocked by grease accumulation. The photo taken by CCV was provided to the resident and the municipal sewer departments informed them they would not be responsible for any future blockages caused by the resident.

It is important to note that the authority / municipality will need to acquire written permission from the homeowner to video the house lateral line from the inside the home to the street (curb). The release should include wording to the effect "For work performed on behalf of homeowner" and a disclaimer in the event something happens to the authority / municipal equipment while on the private property. The release form should be reviewed by legal counsel before being used by the authority or municipal sewer department.

This bulletin is intended for general information purposes only. It should not be construed as legal advice or legal opinion regarding any specific or factual situation. Always follow your organization's policies and procedures as presented by your manager or supervisor. For further information regarding this bulletin, contact your Safety Director at 877.398.3046.

Public Service Announcement to Prevent Sewer Backups in the Home

The majority of sewer back-ups into a home are caused from improper disposal of waste into toilets and drains. The following items should NOT be discarded into toilets or drains: fats, oils, or grease from cooking, solid food particles, diapers, baby wipes, feminine hygiene products, and paper towels. These items do not break down in the sewer pipes and will cause back-ups into homes. The improper disposal of these items will create serious maintenance and health issues for the homeowner and also for the public wastewater collection and treatment systems.

When fats, oils, or grease are poured down a sink, these products will solidify once they have cooled down in the sewer pipes and will cause a blockage. If you think running hot water in the sink will help disperse this matter, you're wrong! Hot water may get this matter out of your sink drain, but as soon as the water cools down, these products will solidify in your sewer pipes. This build-up will restrict flow and accumulate in the pipes, where in combination with other materials that shouldn't be flushed will cause sewerage to back up into a home and often cause blockages in the main sewer system located in the street.

Residents should be aware that some of these products are labeled as "Flushable", are only assumed to be. A vast majority of these products do not break down in the same manner as toilet paper and create problems in households and the collection system, pumping stations, and wastewater treatment facilities.

Walt Eife Waypoint Insurance
John McCrudden Hardenbergh Insurance

WELCOME: Commissioner John Foley welcomed everyone to Cherry Hill Fire District and said this year they have received an International Accreditation in Fire Safety and they are the only Fire Department in the state of New Jersey that holds such an accreditation. Commissioner Foley said they have also been awarded with a rating of ISO 01, which means if you live in Cherry Hill you may be able to get a discount on you homeowners insurance because we are an efficient Fire Department.

APPROVAL OF MINUTES: OPEN & CLOSED SESSION OF MARCH 27, 2017

MOTION TO APPROVE THE OPEN & CLOSED MINUTES OF MARCH 27, 2017

Motion: Commissioner Lipsett
Second: Commissioner Michielli

Vote: Unanimous

CORRESPONDENCE: Executive Director reported the Fund received a letter from Laurel Springs which was distributed to Executive Committee last week and this will be covered under the Executive Directors Report.

LAUREL SPRINGS REQUEST ON POL/EPL CLAIM: Executive Director said last week a letter was distributed to the Executive Committee. Laurel Springs is seeking our assistance on a POL EPL claim that was settled recently and they have a co-insurance due in the amount of \$20,000 to the excess carrier. As you know Laurel Springs is a very small town and has already gone through the budget process and allocated \$10,000. They have requested the JIF's assistance by floating them a loan of \$10,000 this year and next year they will return that amount to the JIF as part of their added assessment. Executive Director said we do have a policy in place for this and we have granted this type of request for other towns in the past.

MOTION TO APPROVE LAUREL SPRINGS REQUEST AS IN ACCORDANCE WITH POLICY

Motion: Commissioner Maley Second: Commissioner Lipsett

Roll Call Vote: 9 Ayes – 0 Nays

AGGREGATE LOSS FUND CONTINGENCY: As you recall, beginning with the 2016 Fund year, the MEL implemented a Retrospective Rating Program billing member JIFs only 85% of its expected claims fund and will bill balance to the JIFs that exceed that amount. This Resolution documents prior authorizations for the creation of an aggregate loss fund contingency account and the transfer of the fund collected with the 2016 and 2017 assessments.

Each year at budget time the JIF will decide how much to fund and transfer to this account. Documenting this change was a recent recommendation in the MEL's internal audit. Resolution 17-12 is on Page 3.

MOTION TO ADOPT RESOLUTION 17-12 DOCUMENTING THE CREATION OF THE AGGREGATE LOSS FUND CONTINGENCY ACCOUNT

Motion: Commissioner Maley Second: Commissioner Wolk

Roll Call Vote: 9 Ayes – 0 Nays

2017 PRIMA CONFERENCE: As previously reported, the JIF has authorized the attendance of Board Members at the annual risk management conference for the purpose of attending seminars. The next PRIMA convention will take place in Phoenix from June 4-7. Please contact the fund office if you are interested.

ELECTED OFFICIALS TRAINING: This year's elected officials training program will focus on Risk Management for Public Officials. Several sessions have been conducted by Mr. Nardi. The final session will be held on April 27 at 6PM in Gloucester City. Registration info for that session is on Page 4. The on-line version is also available; enclosed on Page 3 are directions for the course.

This program will satisfy requirements that elected officials take employment practices training and ethics training & qualifies for the MEL's \$250 credit for each elected official and municipal administrator/manager.

CAREER SURVIVAL FOR FIRST LINE SUPERVISORS: Included in the agenda is a copy of the 2017 Police Training Registration Form. The target audience is First Line Police Supervisors. There are 4 sessions available. Course description and registration can be found on Pages 7 and 8 of the agenda packet.

MEL RISK MANAGEMENT CONSULTANT ACCREDITATION PROGRAM: The MEL is instituting a program to recognize the MEL's numerous experienced RMC's and

train new staff. Producers who complete this program may use the designation "MEL Accredited Risk Management Consultant". To achieve accreditation, a RMC must complete the four all day sessions that will be conduced over a six month period. (See pages 9 & 10 for the registration form and agenda).

East session will be held twice – once in Jamesburg at the Forsgate Country Club and once at Conner Strong and Buckelew Headquarters in Marlton. The program is also eligible for producer continuing education credits. The fee is a nominal \$500 payable to the Municipal Excess Liability Joint Insurance Fund.

FINANCIAL DISCLOSURES: The Division of Local Government Services developed an online program for financial disclosure filings. The fund office has received notification that online filing will be implemented again this year and the deadline to file is April 30th. The fund office will distribute instructions to commissioners on how to file once a roster is finalized. Executive Director said emails should be sent to all members with PIN and login information.

DUE DILIGENCE REPORTS – Included in the agenda were due diligence reports as follows: the Financial Fast Track, Pure Loss Ratio Report, Claims Analysis by Fund Year, Claims Activity Report, Lost Time Frequency Report, Interest Rate Summary Comparison Report, and Regulatory Compliance Report.

Executive Director said the Financial Fast Track is not available this month since the finance folks are gathering data for the auditor this month but we will have the information available next month. Executive Director said the January 31st Financial Fast Track shows our surplus at \$6.3 million and the February 28th Financial Fast Track shows a slight increase in the surplus at \$6.4 million. The loss ratio report as of February 28th reflects we are slightly below the target the actuary had us at 3.15% and of this date we are at 2.23%. Lost Time Accident Frequency as of February 28th we came are standing at 0.83 which is a good start for 2017.

Executive Director's Report Made Part of Minutes.

TREASURER: Treasurer Pigliacelli reviewed the reports included in the agenda.

Approving Payment of Resolution 17-13 April 2017 Vouchers

2016	\$62,567.84
2017	\$1,269,083.76

MOTION TO RATIFY & APPROVE CERTIFICATION OF CLAIMS/CONFIRMATION OF CLAIM PAYMENTS FOR THE MONTHS OF MARCH 2017 AS PRESENTED AND APPROVE THE TREASURER'S REPORT:

Motion: Commissioner Maley Second: Commissioner DiAngelo

Vote: Unanimous

Treasurer's Report Made Part of Minutes.

ATTORNEY: Mr. Nardi said his report is for closed session.

SAFETY DIRECTOR: Safety Director John Saville reviewed the Safety Director's report. In response to Commissioner Shannon, Mr. Saville said he would check with the Police Chiefs at the Police Ad Hoc Committee on Friday to see if they have any forms for crossing guards to take with them to their Doctor with requirements for physicals and if not we will check back with Rutgers to see if they have a form available. Executive Director said we will look into it and try to put something together.

Commissioner Shannon said PEOSH is targeting EMS this year and they are writing citations for things that our squads are doing. Is there something we can do to work with PEOSH in advance to make sure we are all on the same page. Safety Director said one items are the trans filling stations and one town is contesting it right now. We are trying to find out right how to accomplish what they are looking for. Executive Director asked Mr. Saville to put this topic on the MEL Safety Committee Agenda. In response to Chairman Mevoli, Mr. Saville said he will be going to the next PEOSH Advisory Committee Meeting and will discuss to see if we can work with them and obtain information on new regulations and how to comply.

Monthly Activity Report/Agenda Made Part of Minutes.

UNDERWRITING MANAGER:

Executive Director reviewed the monthly Certificate Report on page 41 for the period 2/22/17 to 3/21/17 with 20 certificates issued.

List of Certificates Made Part of Minutes.

MANAGED CARE: Managed Care Provider Jennifer Goldstein reviewed the enclosed report as of March 2017 where there was a savings of 69.20% for the month and a total of 58.57 % for the year. Jennifer Goldstein reviewed the 1st Quarter 2017 Workers' Compensation Injury Review Report showing 71 First Report of Injuries with 54 with Medical Treatment and 17 were Report Only. Ms. Goldstein reviewed the Claim Statistics and Primary Causes of Injury.

Monthly Activity Report Part of Minutes.

CLAIMS ADMINISTRATOR: Denise Hall reviewed the Subrogation Recovery Report. Ms. Hall said the balance of her report is for closed session.

RESOLUTION - EXECUTIVE SESSION FOR CERTAIN SPECIFIED PURPOSES: PERSONNEL - SAFETY & PROPERTY OF PUBLIC LITIGATION:
